Betreff: AW: Let everybody READ ABOUT IT!

Hello Arlene,

it's me again. What a concert yesterday in Mannheim. WOW!

Just before the encore, I was throwing a little book to Peter on stage and he picked it up.

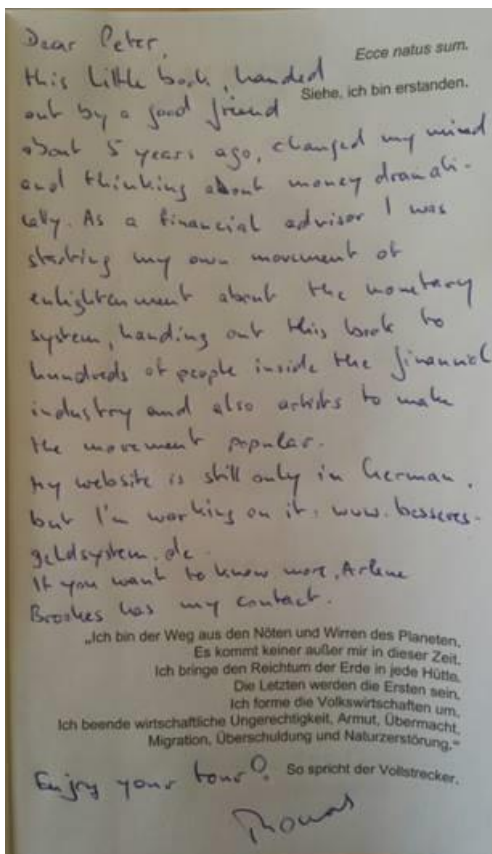

Basically you can say, the book is about the t-shirt he was wearing:

That's the book:

And this is what I wrote to him on the first side – also bigger in attachment:

The book itself is really written a little weirdly, but its content made me think a lot.

It would be wonderful, if you could pass this message on to him. If he is interested to learn more about my ideas, I could come to Stuttgart or Munich as they are playing there. I won't be available on 6th July in Mainz.

Thank you for your help, Arlene. It's important!

Best regards

Thomas

Hi Thomas,

Peter is not available for a chat but the best chance to meet at least some of the band is to turn up to soundcheck.

Hope you enjoy the show.

Hello Peter,

two years ago I had that underneath attached little conversation with Arlene, some days before your concert in Frankfurt.

Now you are playing in Mannheim next week and I would love to come back to my question of meeting you to have some words about a greater movement of enlightenment.

My activities have grown quite a bit, and also Midnight Oil is meanwhile to be found on my website - here with the wonderful Thees Uhlmann - as you scroll down a little:

<http://www.besseres-geldsystem.de/die-toten-auf-dem-ruecksitz/> :-)

Why not start a greater movement for a better world from "The Good Ones" ... I have met quite a few of them - also inside the financial industry - and I am sure you also know many.

"The rich getting richer, the poor get the picture ..." but this time: MAKE EVERYBODY READ ABOUT IT! About the HOW and the WHY! I explain it in details to my audiences and every time I can basically see how their brains start working.

So let's start talking about it. PEACEFULLY and personally!!!

Would be great to hear from you - I live just half a hour from Mannheim!

Best regards and have a great tour!

Thomas

Hi Peter,

I am a big fan of Midnight Oil for 30 years now and I will be at your concert in Frankfurt on 18th July - thanks to my brother :-). As I have followed your political activities only from the distance, I was noticing that you were engaging yourself in the Green Party in Australia. I'm sure you have met the power of the Banking System there as you were trying to make the world a better place.

I am a financial advisor and I started to inform my customers and colleagues about the mechanisms of the system, as you can see on my website: www.besseres-geldsystem.de.

I have some ideas to spread my ideas which would be far too much to write it down here. But if you are interested to meet me in Frankfurt around the time of your concert I would be more than happy to tell you more about what goes on in my mind.

Would be great to hear from you!

Can't wait for Frankfurt :-)

Thomas
